

Bad Weather Cancellation Policy

If a horse riding lesson cannot proceed due to adverse weather conditions, the lesson will instead be converted to a stable management lesson and the full lesson fee will apply.

These stable management lessons are obligatory for all lesson types (Private, Semi-Private, and Group). Stable management lessons will be held twice a month at most, after which lessons which do not proceed due to inclement weathers will be rescheduled.

For riders under the SCSD Let's Play Program (Level 3 and below), the stable management lessons will be recorded in the SCSD Report Book and signed off by the instructor.

For riders 17 years old and above, riding level of Adult 3 and below, the stable management lessons are obligatory unless stated by the instructor.

If a rider does not turn up for a lesson because of adverse weather conditions, a full lesson fee will be charged.

Effective February 1st 2013
